YOUR SAFE CARE  
in the heart of  
Edgerton

[www.larchwoodcare.co.uk](http://www.larchwoodcare.co.uk)

Larchwood Care is proud to offer exceptional standards of respite, residential and nursing care.

We are committed to providing the very best care in a safe and comfortable environment.

Larchwood Care homes have Activity Coordinators who provide daily programmes of events for residents and assistance with individual hobbies or interests. We encourage residents to live their lives as they wish and are able to join in, or not, as they please.

*Our aim is to provide a friendly, caring, 'home from home' environment where dignity, independence, safety and comfort are paramount.*

We constantly invest in our high levels of care and maintainance of the facilities and feel if you ask any of our staff the question,

*"Would you be happy with your loved one receiving care in a Larchwood Care Home?"*

We are sure the answer would be a resounding "Yes".

We look forward to welcoming you!

The Larchwood Care Team.

## ALWOODLEIGH CARE HOME

This charming, converted period property retains the original arched palladian style windows, perfectly designed to enjoy our beautiful surroundings; sweeping lawns, landscaped gardens, all encompassed by a huge variety of mature trees and shrubs which make every day that little bit extra-special.

### Warm & Welcoming

Exceptional surroundings reflect the excellent facilities in which we deliver high quality care. While each of our en-suite bedrooms are tastefully decorated and furnished each resident is encouraged, should they wish, to bring in their own furnishings and personal belongings to make their room their own.

**"I am very very pleased with the care my Dad is receiving."**

All the staff are warm and approachable and they obviously know my dad well and have formed good relationships with him. It was difficult choosing a Nursing home during lockdown but I am very pleased with the decision we made."

## INDIVIDUAL CARE

### These are our foundation stones

Compassion, respect, dignity and choice are the essential foundation stones to our approach. We ensure that we encourage greater involvement by residents and their families for shared decision making.

### Residents are the focus of our service provision

We ensure that all residents are fully involved in the planning and delivery of services, promoting their right to privacy and independence.

### Comfort & Wellbeing

We recognise that everyone is different and the care we deliver aims to reflect this. Alwoodleigh provides a homely, relaxed and safe atmosphere for its residents, guests and staff.

### We go to great lengths to make everyone's stay truly beneficial

#### Respite care

From a few days respite or rehabilitation, to longer recovery requirements, our principles remain the same and your wellbeing is always our priority.

#### Residential care

People who stay with us on a Residential basis will have their care package led by a Senior Carer who will, with your involvement, devise a set of care plans to meet your needs. The team will have access to the community based healthcare team that will include your GP and their District Nurses.

#### Nursing care

Our Nursing care packages are led by a qualified Nurse who, with your involvement, will develop your healthcare plans. They are supported by a team of care staff who will assist you to meet all your personal care needs. The team will have access to the Multi-Disciplinary Healthcare team that will include, where appropriate, your hospital consultant.

## INDIVIDUAL NEEDS

### Activities

We make sure everybody has the option to be fully entertained and keep in touch with loved ones.

Alongside our own dedicated entertainment team, we are proud to have partnered with **Oomph On Demand** to deliver a wealth of online digital activities and entertainment for our residents to enjoy at their leisure - along with our virtual-vacation tour guide!

### Catering for all

We also arrange visits to Religious festival celebrations at Christmas and Easter as well as activities surrounding other non-religious festivals.

To ensure we all look our best, a hairdresser regularly visits Larchwood Care homes where salon facilities are available.

Our Catering Team provide a wide range of freshly prepared meals to suit all tastes. Residents are encouraged to make menu suggestions and any specific treats, needs or allergies can be catered for.

All of our residents enjoy the dignity, security, independence and choice that every individual is entitled to.

Our big screens bring a new dimension to Alwoodleigh with optional **Oomph!** entertainment and exercise!
